

Transportation Management: Hours of

Start Date: 11/15/2017 1:00 PM

End Date: 11/15/2017 4:00 PM

Our workshop is designed for transportation planners, driver managers, dispatchers, individuals new to the field, professionals who support supply chain design, and specialists with limited exposure.

The objective of the course is to help students gain a solid understanding of the following:

- The purpose and importance of hours-of-service regulations
- Hours-of-service regulations and compliance
- Compliance, Safety, Accountability(CSA)
- Industry Trends
- Driver Shortages
- Driver Retention
- Electronic Logging Devices (ELD)
